careers in orthopaedic surgery. She achieved preeminence in the specialty during an era when female orthopaedists were a rarity.

“We have a paucity of women who are applying to orthopaedic surgery and would like to promote orthopaedic surgery and women’s achievements in orthopaedic surgery,” said Rahul Vaidya, M.D., chair of the WSU Department of Orthopaedic Surgery and chief of Orthopaedic Trauma Surgery for the Detroit Medical Center. “Kathy Cramer was a prominent orthopaedic surgeon from our institution and we wanted to do something in her honor.”

Since 2012, the Detroit Medical Center/Wayne State University Department of Orthopaedic Surgery has hosted the annual lecture series in Dr. Cramer’s honor.
